

ANNEX .FM - SPECIAL CONDITIONS FOR THE .FM ccTLD

version 1.1 – May the 20th, 2011

In addition to Gandi's [General Terms and Conditions](#) of domain name registration, the registration and use of a .FM domain name implies the acceptance of and compliance to the present special conditions.

All Your legal information and contracts can be viewed at any time via Our [website](#). Capitalized terms have the definition attributed to them in Our [General Terms and Conditions](#) of Domain Name Registration. Specifically, "You" refers to the owner of the domain name, and "We" designates Gandi. Your current contracts are freely available for viewing when You log into Your account at: <http://www.gandi.net/admin/contracts/>.

.FM domain names are open to anyone.

To register a .FM domain name, You must agree to the following conditions:

- the registration term is from 1 to 5 years,
- to avoid any deactivation of the domain name, the renewal must be paid and funds cleared **before the Expiration date**,
- provide and maintain accurate, reliable and up-to-date personal contact information,
- names containing two characters followed by two hyphens are not allowed.

Section .FM.5. Storage of contact information

You accept that the .FM Registry can access Your personal contact information and display it in the public [Whois](#) database.

Section .FM.6. Dispute resolution policy

The Registry does not have any particular dispute resolution policy in place concerning .FM domain names. It is up to the parties involved in the dispute to resolve the dispute between themselves, either amicably or through the courts.

Section .FM.7. Transfer (change of Registrar)

The process is started on Our Interface. Before requesting the transfer of the domain, please be sure that You have the domain's authorization code (supplied by Your current Registrar), and that Your domain name:

- does not have a TransferProhibited status,

- does not expire soon (We recommend that you start the transfer request at least one month prior to its Expiration),
- was created at least 60 days prior to the request.

The transfer's completion requires Your confirmation (by e-mail).

Upon successfully transferring a domain, the registration period is extended by one year.

Section .FM.8. Ownership change

The ownership change process is available on Our Interface, it requires the confirmation of the two parties by e-mail.

The owner change of a .FM domain name does not change the domain's Expiration date.

Section .FM.9. Deletion process

Upon the Expiration of the domain, We suspend (Hold) the domain name for 30 days, during which time all the associated technical services are deactivated. The late renewal at normal prices is possible during this period.

Then, the domain name is placed in Quarantine status and can be restored, in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department. The length of the Quarantine period is 30 calendar days.

If the domain is neither renewed nor restored within these deadlines, the Registry shall place the domain on "Pending Delete" status for several days, and then delete the domain name, which will become available for registration under the "first-come first-served" basis.
