Section .TC.7. Transfer (change of Registrar)

To transfer a .TC domain name please contact Our customer service department.

Be sure that Your domain name does not expire soon (We recommend that you start the transfer request at least one month prior to its Expiration).

The transfer of a .TC domain name does not change the domain's Expiration date.

Section .TC.8. Ownership change

The owner change can be done through a fax-based process (Gandi form and proofs of identity).

The owner change of a .TC domain name does not change the domain's Expiration date.

Section .TC.9. Deletion process

1 day before the Expiration date, the domain name is released by Gandi to the Registry. All associated technical services are deactivated.

At this time, the domain name is placed in Quarantine status and can be restored, in accordance with the terms and conditions described on Our website and/or as communicated by Our customer service department. The length of the Quarantine period is 89 calendar days.

If the domain is neither renewed nor restored within these deadlines, the Registry will delete the domain name, which will become available for registration on a "first come first served" basis.
